

Guide rail bag

TZ-FST1600

mafell
creating excellence

Hard-wearing industrial zips offer long-lasting functionality.

The hanging tab, for vertical use, enables space-saving storage. The contents can be removed easily and conveniently at any time.

High carrying comfort thanks to reinforced handle and detachable shoulder strap.

Quick access: Large opening for easy storage of the guide rails.

The robust bag design with internal padding effectively protects your guide rails from external influences.

Product features

- Dimensions perfect for Mafell guide rails
- Durable and robust - made from weatherproof polyester
- Durable industrial zips

Applications

- Transport bag for guide rails up to 1600 mm

Description

High-quality and robust guide rail bag with external compartment and internal slip-in pocket.

Additional Velcro straps create a secure transport option for several guide rails.

The bag offers space for guide rails up to a length of 1.6 metres.

Each bag has a slot for a business card or name badge for individual labelling.
