

# Guide track bag TZ-FT800

**mafell**  
creating excellence

Hard-wearing industrial zips offer long-lasting functionality.

High carrying comfort thanks to reinforced handle and detachable shoulder strap.

The vertical hanging strap enables space-saving storage.

2 feed-throughs with punched rivets also allow the K85-PA rip fence to be transported.

The separate outer compartment offers additional space for small parts and other tools.

## Product features

- Dimensions perfect for Mafell guide tracks of the KSS series
- Durable and robust - made from weatherproof polyester
- Durable industrial zips

## Applications

- Transport bag for KSS series guide tracks
- For tools/special accessories for the NFU 50

## Description

Additional Velcro straps create a secure transport option for several guide tracks.

The robust bag design with internal padding effectively protects your contents from external influences.

Each bag has a slot for a business card or name badge for individual labelling.
