creating excellence

The effective insulation thanks to high-quality aluminium foil keeps food and drinks cool and fresh for a long time and is easy to clean.

Hard-wearing industrial zips offer long-lasting functionality.

High carrying comfort thanks to reinforced handle and detachable shoulder strap.

Two separate compartments for storing food and drinks separately to prevent odours and mixing of flavours.

### Product features

- Long-lasting cooling function
- Durable and robust - made from weatherproof polyester
- Durable industrial zips

### Applications

- For storing and cooling drinks and snacks.

### Description

Our cooler bag with two compartments offers the perfect storage option for food and drinks.

The cooler bag is waterproof on both sides and offers protection against moisture and wetness in both directions. The sturdy, impact-resistant and waterproof plastic base offers additional protection against moisture and dirt.

The robust bag design with internal padding effectively protects your contents from external influences.

Each bag has a slot for a business card or name badge for individual labelling.
