Description

Perfect for work and leisure: this robust bag offers plenty of storage space for tools, sports equipment or other everyday items.

The large opening allows quick access to the contents, while separate inner and outer compartments keep everything organised.

Additional transport options thanks to the elasticated straps on the lid keep everything securely in place.

The robust bag design with internal padding effectively protects your contents from external influences.

Each bag has a slot for a business card or name badge for individual labelling.
